

Your personal dental care plan

Protect your natural smile

It's best to keep your natural teeth. Your goal is to avoid cavities, which can lead to costly crowns and maybe even implants. HealthPartners Dental Group is here to help. They're committed to preserving your healthy, natural smile with care focused on your overall health.

Reasons to visit HealthPartners Dental Group:

- A focus on prevention to help avoid costly procedures
- A risk assessment that looks at your specific dental needs
- A treatment plan to help provide better outcomes and healthier teeth

Keeping your teeth healthy

HealthPartners Dental Group will work to keep your teeth healthy and help avoid the cycle of costly procedures.

Evidence-based care disrupts this cycle with:

- Use of fluoride
- Risk assessments
- Sealants
- Oral hygiene
- Nutritional counseling
