

Robin with HealthPartners SelectSM Provider Directory

2024

This directory provides a list of Robin with HealthPartners® SelectSM network providers.

This directory is for northeastern Wisconsin residents living in the following counties: Brown, Florence, Green Lake, Kewaunee, Marquette, Menominee, Oconto, Outagamie, Shawano, Waupaca, Waushara and Winnebago.

This directory is current as of **May 1, 2024**. Some network providers may have been added or removed from our network after this directory was published. We do not guarantee that each network provider is still accepting new members. To get the most up-to-date information about HealthPartners network providers in your area, you can visit **healthpartners.com/robin/selectind**, or call Member Services at **952-967-7540** or **866-232-1166** or log on to your HealthPartners account.

Table of contents

This directory is divided into sections to make it easy for you to find what you're looking for. There are lots of ways for you to find providers and clinics that are right for you.

Getting care	4
Robin Select network providers	5
Hospitals & outpatient surgery centers	86
Urgent/after-hours care	87
Convenience Care Clinics	89

Enrolling in the HealthPartners Robin Select network does not guarantee services by a particular provider on this list. If you wish to be certain of receiving care from a specific doctor listed, you should contact that doctor to ask whether the doctor is still a HealthPartners provider and whether or not the doctor is accepting additional patients.

Access to health care services does not guarantee access to a particular type of doctor. Please contact Member Services at **952-967-7540** or **866-232-1166** for specific information about access to different kinds of doctors.

THIS HEALTH CARE PLAN MAY NOT COVER ALL YOUR HEALTH CARE EXPENSES. READ YOUR MEMBERSHIP CONTRACT TO DETERMINE WHICH EXPENSES ARE COVERED.

Getting care

Your personal physician

A personal relationship with a physician is at the heart of good care and good health. That's why we encourage you to choose a personal physician who gets to know you and your health history, even though you can go to a different provider each time. This physician can provide most of your care and work with specialists if you need special care.

Specialty care

In the HealthPartners Robin Select network, you can go directly to any specialist in this directory without a referral.

Information about the specialists in this network is listed in the Network Providers section of this directory.

Network and out-of-network care

When you receive care from a clinic or provider in the HealthPartners Robin Select network, your care is considered network. If you receive care from a provider not in the HealthPartners Robin Select network (except in urgent or emergency situations), your care may be considered out-of-network and may not be covered or may be covered at a lower level.

To learn about your specific benefits, consult your Summary of Benefits or, if you're a member, view your benefits online at **healthpartners.com**.

Robin Select network providers

In the Robin Select network you may use the health care professionals, facilities and services listed in this directory without a referral from a primary care physician. Anytime you or a member in your family needs care, you may choose to see any provider in this network. If you seek care from a provider who is not listed in this directory, your care is considered out-of-network and may not be covered. Consult your Membership Contract for benefits available to you.

Urgent/after-hours care

HealthPartners is ready to help you handle medical problems. For urgent care needs during clinic hours, please call your clinic. For urgent care after your clinic's regular hours, you have several options:

- Call your clinic's after-hours line
- Call the CareLineSM service at **612-339-3663** or **1-800-551-0859** to speak to a registered nurse
- Walk in to any of the urgent care centers listed on the following pages

What is the CareLine service?

After regular clinic hours, call our CareLineSM service to talk directly with skilled nurses who are specially trained to help you over the phone. A CareLine nurse might suggest home care, a visit to your clinic the next day, a trip to an urgent care clinic, or a visit to an emergency room. Whatever your health care needs or questions, CareLine nurses will give you guidance based on the condition you describe and, if necessary, direct you to the facility that is most appropriate for your situation. They'll even contact the urgent care center so they're prepared to meet your needs when you arrive.

Concerns with your pregnancy?

The CareLine service offers a special phone line for pregnant members and up to six weeks after delivery. Call **612-333-BABY** or **800-845-9297** to speak with specially trained nurses about over-the-counter medications, breast-feeding, unfamiliar aches and pains, mood swings – there are no small concerns when it comes to your health during pregnancy.

What urgent care centers are available?

The urgent care centers listed on the following pages are available to all HealthPartners members – just walk in. In addition, some clinics offer urgent care on site (see clinic listings). The urgent care centers affiliated with your primary care clinic will most likely be able to get access to your medical records and more easily coordinate any needed follow-up care.

The CareLineSM Service

612-339-3663 or **800-551-0859**

or **952-883-5474** TTY

(for members who are hearing-impaired)
